

Therefore, if anyone is in Christ,
the new creation has come:
The old has gone, the new is here!

The rainy season is here at last; we can be thankful for the rain, the flowers, the growth, and the nourishment that come with it. June is also the beginning of hurricane season, and we all need to check our hurricane box and see what needs to be replaced. This is the time of year when I put my homeowner's and auto insurance policies, as well as my medical information, in plastic bags and buy an extra water when I go to the grocery store. I am sure you all have your routines, and this is the time to start thinking about your individual needs. I want to ask someone to lead our Church in determining what we can do for one another in the event of a weather-related emergency. Please email me or call the office to make me aware of your interest.

I hope you all took time on Memorial Day to pray, remember, and be thankful. I have included pictures of the Memorial Garden and the flags that were placed throughout the area for those who chose to spend time in the Gardens in May. Thank you, Bill and Ann, for starting this amazing tradition at Nativity. I want to thank those who responded to my email on Memorial Day, and I appreciate your service.

Hazel updated me on the Choir schedule. The Choir will be taking their summer break starting Sunday, June 22nd. They will be in attendance

From the Sr. Warden continued ...

on Pentecost and Trinity Sunday/Father's Day. Acton Learning Center started their summer break on June 6th. I will update you on July and August changes in the July newsletter.

I want to thank those who watch online for their flexibility and patience. We experienced an incident with lightning that caused an interruption to our streaming. We are continuing to have interruptions as we repair and update our equipment. We all understand the importance of our online presence, and this has been a priority. Jonathan, our IT support, has been working with Vasco and Ron to resolve these issues.

I hope you have an amazing June. Safe travels to all those traveling.

Blessings,

Deborah

Happy Holy Hookers

As usual, our little group has been busy. Our latest delivery to Cleveland Clinic was 105 hats, 75 bibs and 5 stuffies. That's not bad for three people.

Do you crochet and/or knit? If so, why not think about making something. All items should be put in a bag with my name on it and left in the shelves for the cupboard. Next delivery will be in July. You can call me at 772-418-1968 or email me at jackdot57@gmail.com.

Important Notice: No Parking on North Grass Area

**Effective immediately,
parking is prohibited on the grassy area
north of the building
(outside the kitchen and Wolfe Hall).**

WHY THIS POLICY IS NECESSARY

Safety Concerns:

- ◆ This area creates traffic hazards when cars enter and exit the church parking lot
- ◆ Pedestrians frequently cross this space to access our garden areas and outdoor chapel
- ◆ Vehicles backing out of the grass pose risks to both drivers and pedestrians

Property Protection:

- ◆ We are currently installing a new well in this location
 - ⇒ We are adding a second well to improve irrigation for our ongoing landscaping improvements
- ◆ Underground sprinkler system pipes run through this area and can be damaged by vehicle weight
- ◆ The sidewalk foundation and surrounding ground have settled due to damaged sprinkler heads and pipes

AVAILABLE ALTERNATIVES

For Deliveries:

- ◆ Use the designated delivery parking space at the front of the church
- ◆ A transport cart is now available to help move items from your vehicle to the kitchen or Wolfe Hall

For Mobility Assistance:

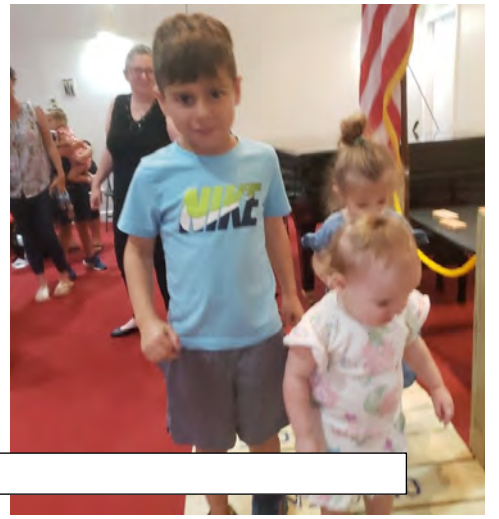

- ◆ A transport chair is available for anyone who needs help getting from their vehicle to the church entrance

QUESTIONS OR CONCERNS?

Please speak with Deborah or Pete if you have specific needs or concerns. We're committed to finding solutions that work for everyone while protecting our church property. Thank you for your understanding and cooperation.
